MAITHON

P. O. Maithon Dam, Dhanbad ( Bihar )

No. BSKC/110/19-18

Dated 23. 8. 1977.

To  
The Deputy Registrar (1)  
Ranchi University,  
Ranchi.

Sub:- Grant of Affiliation of Honours, teaching  
in Geography Economics and Hindi  
\*\*\*\*\*

Dear Sir,

You are aware that our College which has been established in 1966 has acquired a prominent place in Dhanbad district as a Centre of higher education. Affiliation of Honours teaching in Political Science and History was granted as early as 1969.

Geography, Economics and Hindi are among the popular subjects in this College for which Honours teaching facilities are not available.

None of the Colleges in this district provide facilities for Honours teaching in Geography. Students desirous of offering honours in this subject are, therefore, compelled to go to Ranchi where this facility is available in Ranchi College, Ranchi. It is evident that students are facing difficulties on this account.

Facilities for honours teaching in Hindi and Economics are available in only one College in Dhanbad district. Considering the popularity of the subjects, this facility is not adequate. Students of this College and particularly girls are suffering on this account because they can not avail the facilities available at Dhanbad.

You are, therefore, requested to grant affiliation of honours teaching in Geography, Economics and Hindi so that the problems of the students can be solved. We have already submitted inspection fee for affiliation of honours teaching in Hindi. We shall deposit inspection fees for Geography and Economics on hearing from you.

You are requested to consider the matter and inform us accordingly.

Thank you so much,

Yours faithfully,

( S. C. Prasad )
